WALK ON THE WILD SIDE

Pick up a Teen Summer Reading Map at any NVDPL branch starting June 10 and complete challenges to win prizes. There are 12 points on the map - and 12 corresponding challenges - readers must read their way through to complete Teen SRC 2017. For each challenge, readers will have two options to choose between. Books can be long or short, or you can listen to an audiobook!

Each completed challenge earns you a prize ballot. There are prize draws happening all summer long and everyone who completes all the challenges wins a book.

Note: You do NOT need to physically go to the places on the map to complete the challenges.

TO ENTER
Come in to any NVDPL branch (Capilano, Parkgate, or Lynn Valley) to register at the Information Desk (name, age, school, email) and pick up your map.
